Important information / Rules & Regulations

1. Mental Maths Competition is for students studying in Class I to VII.
2. Main objectives of this competition are:-
 - a. to promote interest in mental maths
 - b. to test speed & accuracy of arithmetic calculations
 - c. to inspire confidence in students that they can solve challenging problems themselves.
3. Benefits of Mental Maths Competition to students:-
 - a. It develops interest for Mental Maths at young age
 - b. Significant improvement in speed and accuracy of solving Maths problems
 - c. Helps them to improve their score in school examinations
 - d. Develops competitive attitude at early age and prepares strong foundation for future competitive examinations.
4. After enrolment, 3 workbooks and a model paper will be provided to prepare for the examination. The workbooks are designed for self-study. Learning on own makes great experience for children and gives them confidence.
5. All participants will get certificates. Students scoring cut-off marks and above will be selected for “*Grand Finale*” which will be held on 5th February, 2017.
6. Cut-off marks for Grand Finale :-
